

Mercy, Mercy Me

Don Smith

Verse 1:

My Lord has mercy on a city dead end street.
My Lord has mercy for a lifetime of defeat.
My Lord has mercy when mercy can't be found.
My Lord says, "Mercy", and Mercy's all around.

Chorus:

Cry out for Mercy.
Cry out for Mercy.
Cry out for Mercy.
Cry out!
Cry out!
Cry out for love!

Verse 2:

Cry out for Mercy, for the loneliness inside.
Cry out for Mercy, for the tears you can not hide.
In time, you'll know that He is ever true.
Cry out to Mercy, and He will run to you.

(Chorus)

Verse 3:

I said, "Mercy, mercy me!"
And, "Mercy, mercy my!"
Come take me to the place that is higher than high.
In Your presence, Lord, I was blind, but now I see,
That Your Mercy is sweet than anything to me.

(Chorus)

Verse 4:

Rivers of Mercy, come and drink, and be filled,
Up to the mountain, the top of Golgatha's hill.
In time you'll know that He is ever true.
Cry out for Mercy, and He will run to you.

(Chorus)
