

# My Soul Will Find Rest

Don Smith

## **Chorus:**

My soul will find rest in You, oh Lord  
You are my Rock and my safety  
My soul will find rest in You, oh Lord  
You are my Rock, my Salvation

## **(Chorus)**

## **Verse 1:**

Blessed is the one is merciful.  
Blessed is the who who loves the poor.  
Blessed is the one who is pure of heart.  
They shall see the Lord.

Chorus

## **Verse 2:**

Don't trust in the things of this world today,  
Which come and then soon fade away.  
Trust in the One who is eternal.  
Trust in God today.

## **(Chorus)**

Now, bring out the old, the young, the rich, and the poor,  
Who hunger and thirst for what is right.  
Are you tired, are you weary, of the games of life?  
Ask Jesus into your life.

## **(Chorus)**

## **Bridge:**

I will wait for You, Lord.  
I will wait all the day.  
For I know that You have heard my cry.  
You put my feet on the solid Rock.  
A song You gave to me,  
To lift my heart so free,  
And bless Your Holy Name as we sing.

## **(Chorus)**
